FOREWORD

The Class of 1953 is very happy to present to the patrons of Henderson Institute the fifth edition of THE PANTHER.

Our best wishes are extended to all who read these pages. We hope the material in this annual will be of interest to you. Its pages are full of our school life, which experiences we happily share with you.

We are dedicating this Annual to our parents, teachers, and many friends whose sympathetic indulgences made it possible.

The Class of '53

To The Class of 1953

You are approaching the close of another year of School Life. Day after day, you have assembled here, gathering memories which are now, vivid events of the day. May they, through the pages of this annual, go with you over the hill and up the valley of life, as each of you takes his path alone. Step cautiously, as you cross the threshold into the dazzle and tumultuous whirl of a new life.

"He who would win must
labor for the prize."

CLASS HISTORY

Though many ways of travel would be quicker, we the freshman class of 1949 decided to begin our trip by ship. Ship would enable us to explore many places that would never be seen by train or aeroplane. Believe me! explored we did.

During our freshman year some members of our crew were able to win recognition by their outstanding ability and popularity. Evelyn Baskett was crowned Miss Homecoming, which made all the freshmen forget to cheer for the team and instead cheer for her. Another one of our loyal members Laura Baskerville, was crowned Miss Jabberwock which increased our enthusiasm and love for our class. In our freshman year we also discovered an orator who won third place in the Crown and Scepter Club oratorical contest. This was no one but Yvonne Bullock. Another discovery and there was an actor who was Plummer Johnson, winner of the Dramatic award. Now we must not forget our ever loyal Frank Bullock who was our delegate to the National Convention of New Farmers of America which was held in Atlanta, Georgia.

With such a good start on our trip why not continue? Behold! There we were in our second year high school with our spirits still high and not the least undaunted because of our sureness and faith in our classmates.

In our second year our classmates interest varied and everyone had become acquainted with the surroundings and here's what they netted. Laura Baskerville and Grace Ward were so co-operative and efficient in Home Economics that it was nothing left to do but for them to receive medals. Aha, we are still discovering royalty in our midst and here we are with Grace Ward being crowned as Miss Homecoming. Plummer Johnson was voted all-a-round boy on the campus and this made our flag wave stronger over the sea. John Dunston was such a fine sport, he received the sportsmanship award, and this made our faith stronger and sure. The Athletic field was being explored because John Dunston was the best athlete on the campus. Another trial for our orator, Yvonne Bullock and she was still at third place. Now we were sure our variety was great.

Remembering our first two successful years there was no doubt that we would return and continue. This our Junior year was greater still because some of us were invited to join the Crown and Scepter Club which is the Honor Society in our school and all high schools in North Carolina. Those of us who received the invitation were: Evelyn Baskett, Mary Branch, Glennie Brooks, Ernestine Bullock, Frank Bullock, Yvonne Bullock, Josephine Crews, Maurice Henderson, Plummer Johnson, Deloris Knight, Estelle Lewis, Annie Marable, Elnora Russell, Archie Southerland, Lattimore Turner, Celesta Walker, and Sarah Williams. Of course we accepted for was it not an honor to be asked?

Evelyn Baskett was again crowned queen but this time queen of the Boy's Club Beauty Contest. Our two queens are still together and now we find Laura Baskerville reigning queen of the Business Department. We were fortunate enough to discover another actor in our midst. This was Frank Bullock, who had never acted in a play. The play won first place, with Frank selected as the best actor at the district tournament held in Rocky Mount, North Carolina. Appearing in the first place play with the first place actor were Yvonne Bullock and Lattimore Turner. Our orator has at last reached success and now we find her first place winner of the Crown and Scepter oratorical contest, Chamber of Commerce Essay Award and also second place winner of the American Legion Contest. Needless to say, this was Yvonne Bullock. Frank Bullock has now jumped from delegate and is now the National Vice President of New Farmers of America and State President of New Farmers of America.

Most of us at sometime have enjoyed looking at television but few of us have suffered the fright of appearing. We can boast because one of our crew, Frank Bullock appeared on "Strike It Rich" and was a success at winning. The proceeds went to the less fortunate, therefore we were proud of him. Our experiments didn't stop there because we were the first Junior Class to have a member win the French Award and this was our striving orator Yvonne Bullock.

Encouraged, happy and looking forward to landing at the shore of graduation soon, we continued. We were again happy that we had royalty and this time Evelyn Baskett was crowned Miss Homecoming for the second time in her high school career and Deloris Knight was her attendant. Another queen was Sarah Williams and she was queen of the "Debutante Ball" held in Raleigh, North Carolina. To us this was indeed an honor because she reigned over girls from all parts of our state. Our queen was not alone because Yvonne Bullock and Josephine Crews also attended the ball as Debutantes. Attending the ball as guests were Evelyn Baskett, Grace Ward and Plummer Johnson.

We were not shocked, but were certainly surprised to discover an artist among our crew - Plummer Johnson who won the Chamber of Commerce Poster award.

As the ship draws near to graduation we adopt this motto, which we plan to abide by strongly "We have started forward, sail on."

CLASS SONG

Old H. I. Dear, We Are Thine Own;
Here Began Our Life, Our Love, Our Home,
We'll Sing Of You Afar And Nigh
We Love You Dear Old Dear H. I.

All Of Your Precepts Made Us True
Live As Nobly Our Whole Life Thru
Let Loyalty Be Our Eternal Shrine
With Faith In God And Heart And Mind.

Through Days Of Joy Or Years Of Pain
To Serve The Better Be Our Aim
And Now We Say Our Last Goodbye
We Love You Dear Old H. I.

And Now We Close We Hope You See
Not Heard But Most Of All To Be
As We Climb The Growing Tree
Remember The Class Of '53.

Words by Charles Williamson
Music by Miss G. E. Abbott

CLASS POEM

To Live, Love And Cherish Thee
Our Aim Shall Always Be,
To Always Abide By Your Rule
And Honor Thee

When Far Away Our Bodies Have Gone
Our Thoughts Will Turn To You, Our Home
A Home Where We Have Learned
To Be Honest, And Trusty And
To Always Use Our Courtesy
With All Who We May Come In Contact With.
And Make Use Of Our Time By Being Swift.

Now With Tear Filled Eyes
And Heavy Hearts,
We Must Make Our Sad Departs.

But The Memory Shall
Always Linger Near.
Of The Four Happy Years
That We've Spent Here.
